WHAT'S NEW IN 2024?

Along with the ever-increasing popularity of Ha Long Bay, more and more cruise ships are being launched with lavish looks, more diverse and modern facilities, and outstanding services.

In 2024, let's wait for the second masterpiece Essence Grand to appear on the bay, promising to enchant leisure travelers at the very first sight. The Essence Grand 2 will provide 52 super luxury cabins with equivalent capacity but certainly bring the experience to an

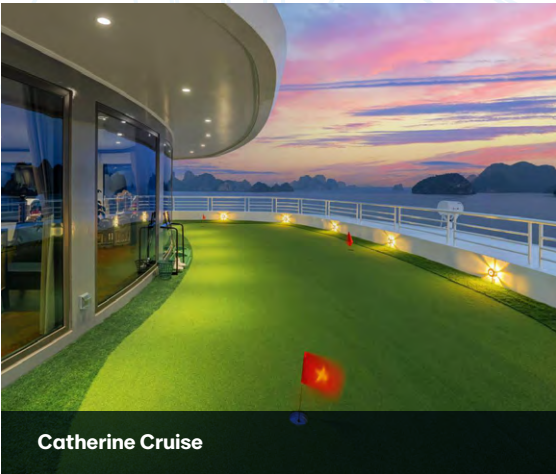

upper level. Essence Grand is expected to be launched in the early second quarter of this year.

Additionally, Doria - a new 5-star cruise will be launched at the end of 2024. Also managed by the same company as the 5-star Doris and Erina Cruise fleet, Doria offers premium facilities and a splendid look surpassing the 5-star standard of previous sister cruises.

Along with that, while awaiting the new ships, travelers may want to spend a night to experience the top luxury cruises recently launched:

- Essence Grand with 55 expansive suites, infinity pool, entertainment room, 3D golf & billiard, sky bar, karaoke, sauna, etc.
- Catherine Cruise with 39 extra large cabins, mini-golf course, wine and cigar cellar, kid corner, etc.

- Sea Star Cruise, also with 39 stunning suites, will bring you to the highlights of Halong Bay such as Sung Sot Cave, Titop Island, Tung Sau Pearl Farm, etc.

Not only modernity and convenience, these cruises also provide a unique itinerary with varied activities and services, creating a trip of a lifetime for all travelers. ●

The coming back of “the Queen of the Sea”

According to the newest information of Quang Ninh Inland Waterway Port Authority, recent years marked the comeback of Halong bay cruise tours.

Before the Covid-19 pandemic, tourism activities in Halong Bay, including both day and overnight tours, served over 10,000 passengers per day, even up to 20,000 - 30,000 passengers on the weekends.

The emergence of Covid-19 causes all tourism operations in Halong to come to a standstill. Most cruises on this UNESCO Heritage Site have to stop working and wait for the recovery period, which prevents many domestic and international travelers from immersing themselves in the mesmerizing landscapes as well as experiencing the luxury accommodation on the cruise.

A positive aspect is that from 2020, tourism focused on providing product and service for domestic tourists, cruise tours in Halong Bay also resume. Until 2022, tourism was fully reopened and became more vibrant, making a high standard for cruise services in the bay.

The reason for that positive recovery is due to many cruise branches making use of the pandemic period to update with many services such as accommodation, restaurant, bar, spa, gym. In addition, entertainment activities take place right on the cruise like Happy Hours, enjoy dinner under the sunset, culture or music live show, and so on. With these investments, cruise branches promise memorable travel experiences for all tourists. ●

“Green Cruise” Trend on Halong Bay

The trend of “green cruises” on Halong Bay includes employing sustainable material, eco-friendly operating fuel, reducing waste generation into the environment and promoting recycling energy. Besides, this trend can be shown in using green and clean products, and applying for all items on the cruise, raising tourists’ awareness about the environment through educational activities. Essence Grand Cruise is the pioneer in this trend with the Chiller air conditioning system, using fresh water for cooling instead of gas, investing in the waste oil treatment system, separating dirty

oil and water. The interior on the cruise is made from industrial wood to avoid being harmful to the environment.

These efforts of Essence Grand Cruise opened a new period and promoted other cruise branches to take high responsibility for tourism activities on Halong Bay such as using eco-friendly material for interior design and decoration, encouraging all passengers to protect the environment.

The “green cruise” trend reflects the importance of preserving Halong Bay’s natural beauty and eco-diversity for the future generations. ●

Halong Bay Cruise - Paradise for Romantic Live Shows

In recent years, to bring soul-stirring natural retreats for passengers, Halong Bay cruises have become a popular venue for hosting live shows of famous artists. The picturesque backdrop of the bay harmonizing melodious music brings passengers a romantic atmosphere and attracts many tourists from around the world.

In just over a year, many famous singers have come to perform in Halong bay cruise, making deep impressions on this bay.

In just over a year, dozens of famous singers have come to perform in Ha Long, Quang Ninh, leaving profound impressions on the region.

On June 2nd, a special show named “Love In The Bay” in Ambassador Cruise with renowned singers such as Tuan Hung, Khac Viet, Trinh Thang Binh, Bao Anh, received a warm reception from the audience.

A concert of Noo Phuoc Thinh at the International Passenger Port in Halong attracted nearly 2,400 spectators. About 20 songs were performed during the concert.

The second season of “My Soul 1981” concert of My Tam singer is held in Halong with the participant of over 4,500 spectators. Over the course, My Tam opened for audiences of all levels of emotion’s world with her 30 beloved songs.

Not only Vietnamese singers, Halong cruise is also an ideal choice of many international artists. Last September, sweet songs like “I do”, “The Day We Find Love”, “Love Sensation” echoed amidst the stunning view of Halong bay by the legendary band 911.

Romantic songs have touched the hearts of music lovers. ●

FAQS

Frequently asked questions

01. **What time does the tour start and end?**

Most cruises will leave the harbor at noon and return before noon the next day or 2 days after that, depending on which trip you book. To meet the cruise schedule, be prepared to be in Hanoi before 8:00 AM since it takes at least 2.5 hours to reach the harbor. If you are late, some cruises also offer tender service or speed boat service (extra fee) to take you to the larger vessel.

02. **When is the best time to visit Halong Bay?**

Generally speaking, Halong Bay is great to see any time of the year. However, the dry season from October to December and the spring time from February to May are best in terms of weather. If you are a budget-minded traveler, choose the low season from May to September where there are many cruise deals.

03. **What activities are there besides sightseeing while I'm at sea?**

There are plenty of onboard and offboard activities while you are on the bay. For onboard activities, many cruises organize Sunset Party with finger food and cooking class, teach tai-chi class for morning exercises, and provide entertainment facilities at night such as squid fishing, board games, and movies. Moreover, state-of-the-art facilities in luxury cruises can provide extra fun such as playing mini golf or poker, watching cinema, singing karaoke, doing massage, or keeping fit in the gym. For offboard activities, depending on each cruise's itinerary, you have a chance to kayak, swim, climb, sunbathe on the beach, cycle, and more.

04. **What kind of itinerary are there? Which is the longest?**

Currently, the most popular itineraries are day cruise (4 - 8 hours), 2 day/1 night, and 3 day/2 night. However, some cruises also offer 4 day/3 night itineraries such as Stellar of the Seas, Capella, Heritage Binh Chuan, Elite of the Seas. As for a longer itinerary, you can book a private boat and request a customized itinerary.

05. **Is the small boat more cramped?**

Small and large vessels will cater to different needs. If you prefer cozy space then a two to six cabin cruise will be best - think Orchid Premium, Violet or Bhaya Premium. Smaller boats mean greater privacy. In case you want to mingle and make new friends, then a larger boat will be your choice. You may consider 10 to 15-cabin boats such as Nostalgia, Orchid Classic, Emperor, Renea.

06. **Do I need to dress up special for the cruise?**

Yes and no. There is no formal attire required - you may want to wear the most comfortable outfit you have. On the other hand, bring a swimsuit if you plan to soak yourself in the emerald water of Halong Bay. If you are celebrating a special occasion, then plan to dress up as well.

07. **Can children take the cruise trip?**

Absolutely. All cruises offer extra beds for children if you want to keep them with you in the cabin. Cribs are also available on selected cruises. In fact, this is one of the best times you may find being with your kids. Imagine taking them out to kayak, playing chess with them or fishing for squid with them at night.

08. Is there an age limit on the boat?

No, there is not an age limit onboard. Halong cruises welcome travelers of all ages. However, if you are a senior traveler, checking the health condition before joining the tour or asking for advice from your doctors (if any) is recommended.

09. Should I tip?

There are no formalities on tipping in Vietnam. As long as you are happy with the service, you can always show your gratitude. However, do not feel obliged to do so.

10. Will the bus pick me up from my hotel?

Yes if you are staying in the Old Quarter. No if you are out of this area: you will need to take a taxi to the bus stop to be collected.

11. Can I use my phone or the Internet?

It depends on which cruise you are taking. You can use phone on all cruises but some do not offer wifi internet. Please check cruise amenities for further details.

12. Will I need any visas?

When you enter Vietnam, you are already requested to possess a valid visa and other travel documents. There are no other special documents you need to cruise Halong Bay.

13. Can I smoke on board?

You are not allowed to smoke inside the cabins on all cruises for safety reasons. You can, however, do so if you are away from the cabin and public area.

14. I am vegetarian. Do I need to bring my own food?

Most cruises offer special meals for people with dietary needs such as vegetarian or vegan. Please indicate so at the time of booking so the cruise can prepare the best meal for you.

15. Can people with limited mobility join the cruise?

Yes. All travelers are welcome onboard. However, you are recommended to book the ship with an elevator such as Essence Grand, Ambassador, Catherine, Capella, Indochine, Indochine Premium, and Elite of the Seas for more convenience. Besides, all the activities and excursions are optional. Lan Ha Bay route may be more ideal than Halong Bay thanks to less touristy spots and gentle activities. You can also just relax on the boat, admire the bay view, and experience the facilities onboard.
